CHILDREN'S LEARNING CENTERS

Searching for high-quality care & early education for your child can feel overwhelming. Use this checklist to compare centers in your area to B&E. We believe the choice will be clear!

PROGRAM QUESTIONS		CENTER NAME	CENTER NAME
Do you feel genuinely welcome and have a positive feeling upon entering the center?	✓		
Is the center clean, neat, organized, and in good repair?	✓		
Is there a dedicated nightly cleaning company to ensure cleanliness and sanitization?	✓		
Is there a security system in place at ALL entrances?	✓		
Are there cameras monitoring classrooms, playgrounds, common areas, and the exterior?	✓		
Is a Director and/or Assistant Director on site at ALL times?	✓		
Do ALL staff have current CPR, First Aid, Epi-Pen, and (if necessary) Medication Administration training certifications?	✓		
Is up-to-date technology used to promote daily communication with Teachers and Parents?	✓		
Do the Teachers create their own Learning Experience Plans specifically for the children in their classroom?	✓		
Does the center have formal Parent/Teacher Conferences to review Developmental Assessments?	✓		
Are parents welcome to visit the classroom and encouraged to be involved in their child's experience?	✓		
Does the center have age-appropriate furnishings and plentiful varied curriculum materials for EACH age program?	✓		
Does the center provide milk and wholesome snacks?	✓		
Are there indoor areas for gross motor development and group activities?	✓		
Are there separate outdoor play areas for each program?	✓		
Does the center have annual family gatherings to celebrate the center's sense of community?	✓
