CHILDREN'S LEARNING CENTERS

Stay connected to your child's day and receive up-to-date information with the click of a button!

Follow us on Social Media

You will see daily posts, upcoming program events, and enjoy pictures of children engaged in daily activities on our social media sites.

- Follow "**Bright & Early [your location]**" on Facebook for current B&E events and pics!
- Follow **@brightandearlyct** on Instagram for children's activities and creative inspiration!

Tadpoles Daily Communication

Keeping our families in close communication with our centers is a priority. Tadpoles is a paperless communication program that allows families to receive child updates and information through the Tadpoles website (tadpoles.com), Tadpoles app, texts, and/or emails.

The Tadpoles program is a secure daily communication tool that allows your child's Teacher to capture special moments by taking photos of your child in action. You will receive a daily report, photos, and notes right to your email or text inbox.

Sign up with your Bright & Early Director upon enrollment.

Bright & Early Blog

Visit www.brightandearly.com to view our blog. You will have access to the latest early childhood information on children's development, health, safety, parenting, and so much more!

If you would like to contribute to our blog, please contact your Bright & Early Director.
